

EFINSM Pro ShieldTM Program = THE TOTAL SOLUTION!

WARRANTY

Warranty options offered at 5, 7 and 10 years provides the kind of assurance you need when protecting valuable equipment.

TECHNOLOGY & SOLUTIONS

EFINSM Pro ShieldTM Program assures the best coatings applied with the best methodology delivers years of anti-corrosion protection.

PRODUCTS

EFINSM Pro ShieldTM Program: ElectroFin[®] E-coat, TCP and Insitu[®] + Color coating systems can be combined and customized to provide the protection you need.

SERVICES

Modine factories in the US & EU, plus available field-applied coatings and cleaning products maintain warranties and system performance.

BRANDING

Modine EFINSM Pro ShieldTM Program color differentiates your products, building your brand and value. Color infused Insitu[®] Topcoat provides additional corrosion protection and peace of mind.

ENVIRONMENT

Low VOC coatings, water reclaim systems, and antimicrobial coatings are a part of our green earth initiatives.

PEOPLE

People are at the foundation of our business. Exceeding our customer's expectations and creating "raving fans" is our goal.

EFINSM Pro ShieldTM Program = THE TOTAL SOLUTION!
